

I've worked in lots of ballparks with many different turfgrasses and Bull's-Eye is the best I've seen. It outperforms other bermudas in color, overseeding and recovery.

Let's Talk Turf.

Bull's-Eye sets a new standard for bermudas with improved performance in every category. It's tougher, has improved shade tolerance and returns from overseeding with a vengeance. And the color? Other bermudas pale in comparison. Ideal for sports fields of any kind—just ask the pros.
